## **Lewis Farm Market & Petting Farm (LFM): 2011 Build a Scarecrow**

**SUBMISSIONS:** Submissions are now being accepted for our 1st ever "Build a Scarecrow" contest. We will be accepting Scarecrows starting Sep 15, 2011. The deadline for submissions is October 10, 2011.

Prior to this public competition, LFM is hosting an Employee 'Build a Scarecrow' event starting September 10th. We encourage you to visit and borrow ideas to incorporate into your own Scarecrow. These Scarecrows are not eligible for prizes, instead serving only to inspire ideas.

**RULES:** The scarecrow must be: your own design and work, fully clothed, capable of being outdoors in the wind and rain through October 30th, and convey wholesome family fun. Group projects are accepted, but must be submitted as such and if selected as a winner, a single prize will be awarded to the designated spokesperson for the group. You can enter as many scarecrows as you like, but only one 'Build A Scarecrow' prize will be awarded per individual or group per year; a winning group member cannot also win in an individual category. Your name must be on your scarecrow in a fashion that can withstand outdoor fall weather. Once entered, your scarecrow must stay until noon Saturday Oct 29th.

Entrants agree that any photographs or video taken of Scarecrows by LFM, or submitted to LFM, are the sole property of LFM and may be used without credit for promotional, commercial, advertising and marketing purposes.

Scarecrows can be picked up by the submitter between 1:00 and 5:00pm Saturday Oct 29th 2011; after that, their survival cannot be assured. LFM is not responsible for damage to scarecrows.

When submitting your Scarecrow you are declaring that you meet the rules stated in this application.

All entrants are invited to a FREE 'Shoot Your Scarecrow' event at LFM on Sunday, October 30th. You'll be shooting at scarecrows with our fruit cannons and fruit flingers. Please invite your friends and family to come watch (no admission fee).

### **PRIZES:**

There will be three prizes total:

One prize will be given based on total votes cast by guests at LFM. This is an open category without a theme.

One prize will be awarded based on total "Likes" cast on Facebook. Only "Likes" are counted as a vote, but positive comments are encouraged. LFM will photograph scarecrow entries and post them on its Facebook page. However, if you live out of the area, you may submit a photo of your scarecrow to [Info@LewisFarmMarket.com](mailto:Info@LewisFarmMarket.com): Photo submissions must meet the same requirements and rules as scarecrows delivered to LFM in person.

One prize will be selected based on creativity or uniqueness of your design. Those scarecrow designs that include fruits or vegetables and/or those obviously made by a young child(ren) will be considered above all others for this prize.

In the event of a tie, or if one person wins more than one category, LFM will determine the winner. Names of the three winners will be drawn to determine 1st, 2nd and 3rd place prizes. LFM reserves the right to refuse any entry. Employees and their families are not eligible for prizes. Final decisions regarding entries and prizes are made by LFM.
